

## WHAT TEACHERS TELL US

*"You not only feed their tummies, you also feed their souls with kindness and generosity."*

*"My student on the program is more alert and happier. I believe full stomach, happy child."*

*"The Snack Pak program helped improve attendance and decrease behavior problems."*

*"By meeting basic needs, my students are better able to focus on school."*

*"This program shows students that proper diet and nutrition are healthy and will help them achieve their goals."*
